

Taxxo 100 AC Operating Hour Meter

SPECIFICATION SHEET

Flush, surface or DIN-rail mounting
 Robust and reliable
 Various dimensions, round and square
 Latching screws or low profile plugs
 Surface-mounting

Technical data

Dimensions H x W x D (mm)	69 x 48 x 43
Switchboard panel (mm)	-
Distributor cut-out (mm)	-
Mounting depth (mm)	43
Weight (g) approx.	70
Connection	220-240 V/50 Hz 110-120 V/50 Hz 36- 48 V/50 Hz 18- 26 V/50 Hz 110-127 V/60 Hz
Power consumption	approx. 1 VA
Ambient temperature	-20°C bis +55°C
Protection class	II
Protection type front	IP 20
Accuracy	synchronic to network
Metering capacitance	99999,99 h
Run display	yes
Assembling mode	assembling with clamp cover
Connection type	receptacle with screw terminals
